Note: For purposes of this report, the word "completers" refers to students who completed degrees (Assoc.), certificates (Cert.), or marketable skills awards (MSA). Blank cells represent instances where the Texas Higher Education Coordinating Board (THECB) found no information available. In cases where there were program completers, none of whom obtained employment based on the best data available, an employment rate of 0% is shown.

*Data for 2015 is the most recent data available from the THECB, the source for this information.
