Anonymous - Some clinical facilities should not be used during the summer rotation as it is the first rotation in the ICU setting. I believe ALL students should have instructors during that time and not preceptors.

Anonymous - This is an excellent program with awesome instructors. They have had a positive impact on my education and on my future.
Anonymous - Loved Collin Colleges respiratory program. The professors go above and beyond to help their students succeed and help provide a varied and excellent experiences.

Anonymous - I thoroughly enjoyed my experience at Collin College McKinney. I learned how to critically think in a clinical setting, manage my time, and I was able to further develop my skills through an internship. Angie, Julie, Kelley, Mary Sue, and Celi are awesome instructors that have prepared me well.
