ABOUT COLLIN COLLEGE

Since offering its first classes at area high schools in 1985, Collin College has expanded to serve about 53,000 credit and continuing education students each year. The only public college in the county, the college offers more than 100 degrees and certificates in a wide range of disciplines.

Our Mission:
Collin College is a student and community-centered institution committed to developing skills, strengthening character and challenging the intellect.

Our Core Values:

We have a passion for:

- **Learning**
- **Service and Involvement**
- **Creativity and Innovation**
- **Academic Excellence**
- **Dignity and Respect**
- **Integrity**

We invite you to join the **GREEN MOVEMENT** and gain the knowledge to become a part of one of the fastest growing professions in the world.
