

Tracking Cougar Curriculum

April 2019

CURRICULUM UPDATES

To prepare for the opening of the Wylie Campus and the Technical Campus as well as to stay current with the needs of industries, the Curriculum Office worked collaboratively with VP/Provosts, Deans, Associate Deans, Directors, Discipline Leads, Faculty, and the Curriculum Advisory Board (CAB) to successfully plan and develop new programs and revise existing programs to better serve the academic needs of our students. 🐾

The Texas Higher Education Coordinating Board approved the Collin College application to offer a Bachelor of Science in Nursing! The next step in the process includes SACSCOC review and approval. 🐾

1. Effective Fall 2019

2. This program is pending approval by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). This program is anticipated to start in Spring 2020.

COAT ASSESSMENT DAYS

Each year the Core Objective Assessment Team (COAT) assesses

selected general education courses and student learning outcomes that align with state-mandated Texas Core Objectives. All faculty are invited to participate in COAT Assessment Days. Training and support are provided on how to rate student artifacts. This is a great opportunity to network with colleagues and earn summer service. 🐾

Wednesday, June 5th at 8:45 a.m.

Thursday, June 6th at 8:45 a.m.
