

transferability of those course credits to the Texas colleges and/or universities that participate in the Guarantee for Transfer Credit program. This guarantee is designed for CCCC students who have made firm decisions about their major, the transfer college or university to which they plan to transfer, and have followed a written transfer guide for that transfer institution.

If these courses are rejected, a student may take tuition-free alternate courses at CCCC that are deemed acceptable by the college or university to which he/she wishes to transfer. Special conditions that apply to the guarantee program are available on request.

COMMON COURSE NUMBERING

To help meet the transfer needs of its students, CCCC is a member of the Texas Common Course Numbering System Consortium. All Texas community/junior colleges and many Texas universities are also using this numbering system.

The Texas Common Course Numbering System provides a shared, uniform set of course designations for students and their advisors to use in determining both course equivalency and degree applicability of transfer credit on a statewide basis.

Students should not assume that only courses with common course numbers will transfer and should see a CCCC academic advisor for assistance.
