# Admissions

CCCCD operates with an “open door” admissions policy. Students 18 years of age or older with a high school diploma or equivalent are eligible for admission. Other students may be admitted under special admissions requirements. CCCCCD reserves the right to guide the placement of students, which may include assessments, interviews, and a review of past academic performance.

**Application for Admissions  
Available on the Web**  
**[www.ccccd.edu](http://www.ccccd.edu)**

## SPECIAL ADMISSIONS

The following categories are considered special admits:

1. High school students who have exceptional ability, requesting early admission consideration.
2. Students under 18 years of age without high school diploma or equivalent.
3. Home school students under the age of 18.

*See the CCCCCD Catalog for policies or contact the Office of Recruitment and Programs for New Students at 972.377.1750.*

## TRANSFER STUDENTS

Students must be eligible to re-enroll at all colleges and universities previously attended. **An official transcript from the college most recently attended and documentation of TSI status are required for admission.**

## CCCCD STUDENTS NOT ENROLLED IN THE PAST ACADEMIC YEAR

- Submit completed application to the Admissions and Records Office.
- Submit an official transcript from the institution most recently attended.
- Submit TSI documentation (see p. 3).
- Submit residency documentation (see below).

## INTERNATIONAL STUDENTS

All students holding F-1 and F-2 visas should contact the Coordinator of International Students at 972.516.5011 or via e-mail at [rcrowell@cccd.edu](mailto:rcrowell@cccd.edu).

# Residency

## STATUS

To be considered a Texas resident for tuition purposes, students must clearly establish that they have resided in Texas for the 12 months preceding enrollment. Documentation of Texas residency will be required. Students on certain types of visas are not eligible for in-state tuition. Permanent residents are eligible for in-state tuition once the 12-month requirement is met.

Students who do not document county or state residency prior to the census date will be charged the higher tuition rate. Students requesting a refund, due to a change in residency, must provide documentation to ARO within 12 months of the semester in which they are applying.

## IN-COUNTY

Students who have established Texas residency and who reside in Collin County on or before the census day for the term will be classified as in-county.

## OUT-OF-COUNTY

Students who have established Texas residency and who reside outside of Collin County on or before the census day for the term will be classified as out-of-county.

## OUT-OF-STATE AND OUT-OF-COUNTRY

Students who have not resided in Texas for the 12 months preceding registration will be classified as out-of-state. Most students holding temporary visas will be classified as out-of-country. Contact the Admissions Office for visas eligible for in-state residency.

## CHANGE OF ADDRESS

Changes of address, name, etc., must be reported promptly to the Admissions and Records Office. This enables students to receive registration and other information from college departments and programs. Changes of address affecting residency classification should be promptly reported, along with documentation of current address. Name and Social Security number changes require photocopies of the student's valid driver's license and/or Social Security card.

## AD VALOREM WAIVERS

Students who have not lived in Texas for the 12 months prior to registration but own property in Collin County may be eligible for an ad valorem waiver. A copy of the deed is required if the property was purchased within the last year. A copy of the most recent tax statement is required if the property was purchased more than one year ago. If this waiver is based on the parents' property ownership, a copy of their most recent federal income tax return showing the student as a dependent is also required.

Once Texas residency has been established (12 months), a request for reclassification may be submitted, along with the supporting documentation, to the Admissions and Records Office on or before the census date (see p. 1 for calendar). Future ad valorem waivers will then be unnecessary. Property owners on most types of temporary visas are not eligible for the ad valorem waiver.

# Texas Success Initiative

## PLACEMENT TESTING INFORMATION

The Texas Success Initiative (TSI) was mandated through action of the 78th Texas Legislature to replace the Texas Academic Skills Program (TASP). Like TASP, TSI is designed to measure competency in reading, writing, and mathematics and to provide developmental studies in areas of identified deficiencies. All students not eligible for an exemption or waiver must take an approved placement test prior to enrolling in any Texas public college or university. Enrollment without test scores may be limited to developmental studies.

## Success Initiatives Exemptions & Waivers

The following exemptions and waivers allow students to enroll without testing; however, all students still must meet test score prerequisites for certain courses. Contact the campus TSI Office, ARO, or academic advisors for testing exemptions and waivers or test score prerequisites.

### Exempt

Certain students are exempt from mandatory testing but may be required to submit placement scores to register for courses with test score prerequisites. An official transcript showing degree, if applicable, is required.

- TASP Exempt/Passed - Students who were TASP Exempt/Passed prior to Fall 2003 are exempt from TSI requirements.
- Degree Exempt - Students who have earned an associate or higher degree from a regionally accredited institution are exempt from all TSI requirements.
- Transfer Exempt/Passed - Students whose previous Texas public college or university has determined that they have met Minimum Passing Standards in Reading, Writing, or Math are exempt in the curricular area(s) indicated, but must test in any remaining area(s).
- Course Exempt - Students who have completed a Restricted Course (see list on this page) from a regionally accredited

college or university, earning a grade of "C" or higher, are exempt in the curricular area of that course but must test in any remaining area(s).

- Score Exempt - Students who achieved certain scores on the ACT, SAT, TAAS, or TAKS test may be exempt.

ACT: Composite score of 23 with a 19 minimum on both the mathematics and English tests. ACT scores can be no more than five years old.

SAT: A combined score of 1070 with a minimum of 500 on the mathematical and verbal tests each. SAT scores can be no more than five years old.

TAAS: Minimum scale score of 1770 on the writing test and a Texas Learning Index (TLI) of 86 on the mathematics and 89 on the reading test. TAAS scores can be no more than three years old.

TAKS: Contact the TSI Office for TAKS exemption information.

- Active Military Exempt - Students who are on active military duty and have served for at least three years at the time of enrollment are exempt from all TSI requirements.
- Military Veteran Exempt - Students who were honorably discharged, retired, or released from active duty after August 1, 1990, are exempt from all TSI requirements. A DD214 showing Honorable status must be submitted.
- Certificate Waiver - Students pursuing a Certificate of no more than 42 hours may qualify for a delay of mandatory testing. A Change of Major form must be completed by the student and submitted to the Admissions Office. Certificate Waivers must be renewed each semester.
- Casual Student Waiver - Students who are not seeking a degree or certificate from a Texas public institution of higher education may qualify for a Casual Student Waiver (CSW). Course enrollment may be restricted. CSWs must be renewed each semester.

## Minimum Passing Standards

New and transferring students, not otherwise exempt or waived from mandatory testing, must submit scores from an approved test prior to initial CCCCD enrollment.

- Students who meet or exceed the Minimum Passing Standard in one or more areas (Reading, Writing, or Math) will be exempt from TSI requirements in areas passed.
- Students who do not meet the Minimum Passing Standard in one or more areas are required to meet with an academic advisor.
- Students who score below the Deviation Standard established by the State must retest.
- Retesting may not be required of students who score above the Deviation Standard.

## Compass Testing Schedule

The Compass Test is available on each campus through the Campus Testing Centers. A testing fee of \$29 is charged prior to testing. Texas Higher Education Assessment (THEA) and other tests are periodically scheduled. Contact the Testing Centers for times and registration procedures.

## Course Restrictions

Students who are not otherwise exempt or waived from TSI participation and whose test scores are below the Minimum Passing Standard may be restricted from certain courses listed below. The restriction is in effect until the appropriate scores are achieved and/or until the student is determined to have met TSI requirements. Students should contact academic advisors for additional information.

# Student Services

## ACADEMIC ADVISING\*

Students are encouraged to meet with an academic advisor prior to registering for classes. Visit the advising lab located in the Student Development Center at CPC, PRC, or SCC. For office hours, call 972.881.5778.

Students should bring official high school and/or official college transcripts when meeting with an advisor. Students on probation or suspension or students who have not successfully completed TSI testing must meet with a full-time academic advisor.

## ACCESS

ACCESS (Accommodations at CCCCD for Equal Support Services) is a comprehensive accommodations program for all students. Students with disabilities are encouraged to meet with an ACCESS advisor prior to the beginning of classes. Services include: interpreters, notetakers, readers, test assistants, and tutors.

For information call or visit the offices at SCC-G200, 972.881.5898, CPC-A108, 972.548.6770, or PRC-F135, 972.377.1770; V/TDD 972.881.5950.

## FINANCIAL AID AND VETERANS AFFAIRS\*

The Financial Aid Office arranges funds for eligible students. Financial aid is available through scholarships, grants, loans, and employment.

The FAFSA application must be received at the processing center by June 30, 2004 to be considered for financial aid for the 2003-2004 academic year (priority deadline, June 2, 2003).

For more information call or visit the offices at CPC-A111, 972.548.6760; PRC-F135, 972.377.1760; SCC-G103, 972.881.5760. Financial aid information is also available on the Telephone and Webline systems.

## GROUP TUTORING

- Regularly scheduled, out-of class, study & review sessions for selected courses
- Organized group study
- Study sessions led by a trained peer
- Attendance is voluntary
- A way to improve grades & study with others who are serious about learning

For more information, call Michele Boverie, Tutor Coordinator, at 972.881.5128, or e-mail mboverie@cccd.edu.

These student services are located in the Student Development Center. For further information on student services, see the CCCCD Catalog and the college website at [www.cccd.edu/studentservices](http://www.cccd.edu/studentservices).

## NEW STUDENT ORIENTATION

All first-time students to Collin County Community College District should attend New Student Orientation. Students will learn about campus resources, interpreting the catalog and schedule, choosing a major, campus safety, and other survival skills leading to success in college.

New Student Orientation is a one-day orientation program designed for students who have graduated from high school within the past three years.

New Student Orientation for Non-Traditional Students is an orientation program that targets students returning to college after an extended break and adult students starting college for the first time. These orientations are more intense than the day sessions and are held in the evening.

For more information including dates and reservations, please call 972.377.1750, e-mail [orientation@cccd.edu](mailto:orientation@cccd.edu), or visit our website at [www.cccd.edu/studentservices/students.html](http://www.cccd.edu/studentservices/students.html).

## ASSESSMENTS

CCCD administers local assessments to ensure proper placement in courses. Assessment scores are valid for one year.

Assessments are offered in reading, writing, and mathematics and are required for placement in certain courses. New students are encouraged to take local assessments in all three skill areas if they have not previously been enrolled in college.

Proof of prerequisites (documentation validating that the prerequisite course has been passed within the required time frame) may be used in lieu of assessments.

See the college catalog for policies. For more information, contact the Testing Center at CPC-B342; PRC-F209; or SCC-J232.

See the 2003-2004 CCCCD Catalog for specific assessment information.

**Financial Aid Information  
Available on the Web  
[www.cccd.edu/studentservices](http://www.cccd.edu/studentservices)**

## STUDENT ID CARDS

All credit students at CCCCD are required to have a Student ID Card to use services provided by college offices and labs including the CCCCD Bookstore, Career Services, Computer Labs, Admissions and Records, Fitness Center, LRC, Math Lab, Student Life, and the Testing Center. ID cards are made by Student Life.

First-time students pay a Student ID fee with their tuition (see p. 8). Once students have registered and paid for their courses, ID cards will be issued in accordance with the dates listed below. Students must present a valid picture ID before a student ID Card will be issued. The ID card will be valid district-wide throughout the student's enrollment at the college. Student ID cards will be automatically reactivated each semester after the student enrolls in courses and pays the corresponding tuition and fees.

For a fee (see p. 8), a replacement ID card will be reissued for students whose card has been lost, stolen or damaged, who have had a name change, or who would prefer a new photo. Only currently enrolled students with a valid picture ID may request a replacement ID card. Contact Student Life for more information. See the *2003-2004 CCCCD Student Handbook* for office hours and locations.

### ID Cards are available beginning

Wintermester	Dec. 15
Spring	Jan. 12

## STUDENT ORGANIZATIONS CAN MAKE A WORLD OF DIFFERENCE!

Student Organizations are a great way to network; develop leadership, educational, and social skills; as well as, make a difference through service activities both on- and off-campus. There are more than 20 student groups at Collin County Community College District offering a wide array of academic, cultural, spiritual, and service opportunities.

**Interested in getting involved? Come to Get a Scoop on Student Groups, Wednesday, January 28<sup>th</sup>** in the SCC Atrium from 4 p.m. to 6 p.m. This ice cream social gives CCCCD students an opportunity to meet student organization leaders and find out more about each group.

**Would you like to start a new organization or find out more information about an existing group?** Stop by the Office of Student Life for more information and discover the variety of opportunities to get involved and make a world of difference!

# Dual Admissions

CCCCD

&

**SOUTHERN METHODIST UNIVERSITY**

**TEXAS WOMAN'S UNIVERSITY**

**UNIVERSITY OF NORTH TEXAS**

**UNIVERSITY OF TEXAS AT DALLAS**

### University of North Texas

UNT has an admissions representative/advisor for CCCCD students. Once admitted to the program, you will receive an Eagle Pass (ID card) to attend athletic events and have access to the UNT library.

### University of Texas at Dallas

UTD students in the program are required to take three credit hours with UTD within your first 15 college credit hours. You will have access to scholarship opportunities, academic advisors, and the UTD library.

### What does this mean to me?

The dual admissions agreements allow qualified CCCCD students the opportunity to complete freshman and sophomore year requirements while enrolled at CCCCD. With the guidance of an advisor, your CCCCD credit hours will transfer seamlessly to the university, so you can jump right in and finish your bachelor's degree.

### Sounds great! How does it work?

As a CCCCD student, you may apply to participate in any of our four dual admissions programs. Each program has its own individual procedure. Get the necessary forms from the CCCCD Admissions and Records Office, or online at <http://www.ccccd.edu/studentservices/students.html>

### Southern Methodist University

Twenty students are selected annually for the SMU program. Students will receive an SMU student ID card, access to the SMU distinguished lecture series, a DART pass, and tickets to athletic events.

### Texas Woman's University

TWU students in the program receive a TWU Bound student ID card, access to the library, 10 complimentary visits to the wellness center, free admission to all TWU Pioneer home games, and free transportation on the Denton Link.

For information about dual admissions agreements, contact the CCCCD Admissions and Records Office at 972.881.5710.

# Registration

## PERMIT TO REGISTER FOR ANOTHER PERSON

If you are unable to register during Telephone or Webline Registration or during On-Site Late Registration, another person may register for you. This person must bring your written approval on a permission form provided by CCCCD. Contact the Admissions and Records Office for details.

## AUDITING A COURSE

Any student intending to audit a course may register for that course during Late Registration only. Students who have already registered for a course as credit using Telephone, Webline, or On-Site Late Registration may not later change their status to audit (non-credit).

Audit students are subject to the usual registration process. A special non-refundable audit fee is assessed for each class in addition to regular tuition and fees. [Foreign and sign languages, all Business & Computer Science (B&CS), Cisco, and Microsoft courses may not be audited. Other than B&CS courses, these can be taken through Continuing Education. Check with B&CS for specific information.] See the CCCCD Catalog for details.

## PASS/FAIL GRADE OPTION

Non-degree seeking students may select a pass/fail grade option for foreign language, sign language, and creative writing courses. This option is not available for students working toward a degree plan or intending to transfer to another institution. To select a pass/fail grade, complete the appropriate form at the Admissions and Records Office before the term's Census Date.

## SCHEDULE CHANGES (ADD/DROP)

Students who have already registered and need to make schedule changes (add and/or drop classes) may do so during Telephone, Webline, or On-Site Late Registration. Students may add/drop classes on a space-available basis prior to the beginning of the third class hour.

When dropping a class, you must also drop any accompanying labs or the Registration System will automatically leave you registered for the lecture.

## International Students and Students Receiving Financial Aid or Veterans Benefits

International students and students receiving financial aid and/or veteran's benefits are required to notify the appropriate office *prior* to dropping classes.

**International Students:** Failure to maintain full-time status\* could affect F-1 student visa status and could also jeopardize immigration status.

*\* Full-time status is 12 semester hours for fall and spring semesters and six credit hours in a short summer session. Full-time status for mini-semester varies. International students are not required to enroll in summer sessions.*

## WITHDRAWALS

Prior to withdrawing, students should talk with their professor(s) and/or their advisors. Students who need to drop or withdraw from class(es) may do so in the Student Development Center at any campus. Students may also drop or withdraw by mail or fax 972.881.5175. The postmark date is the official drop/withdrawal date. Signatures are required on mailed or faxed requests. Note the withdrawal dates in the calendar (see p. 1) and consult the current *CCCCD Catalog* for more details.

*NOTE: Failure to drop or withdraw on or before the Last Day to Withdraw will result in a performance grade.*

## Lab and Recitation Registration

Corequisite courses (lectures with labs and/or recitations) are designated with separate course call numbers or with an asterisk (\*) in the schedule. Failure to register for a required lab, with a separate call number, will result in an automatic drop of the original lecture request.

## Courses Without Call #s

Contact the department or see p. 14.

## TELEPHONE & WEBLINE REGISTRATION TIPS

### Start Early

All students are encouraged to register early using Telephone or Webline Registration for ample course selection and availability. Telephone & Webline systems are available 8 a.m.-11 p.m. everyday beginning 11/24 (except 12/11 & 1/9).

### Before You Call or Log On Acquire PIN:

You must have received your Personal Identification Number (PIN) before you call or log on.

Students should take their picture ID to the Admissions and Records Office to receive a **Personal Identification Number (PIN)**.

Students who already have a PIN do not have to come to campus unless they need to re-admit, assess, obtain advice, or if they have holds on their records.

With your PIN you can:

- Add/drop classes during registration
- Make check or credit card payments on Webline

### Webline Tips:

- a. Do not use back/forward buttons.
- b. Reduce font to view all information on screen.
- c. Inactivity results in automatic logout.
- d. If you get a page that says "Webline is currently unavailable" at a time when it should be available, hold down the Control key and click **Refresh** or **Reload**.
- e. If you have a hold on your record, go to Student Records Menu, & click on **Holds**.
- f. Note location of class under **Building** on schedule.
- g. View & print financial aid info, unofficial transcripts, & grades.

## TELEPHONE & WEBLINE

### REGISTRATION

Wintermester: Nov. 24–Dec. 14  
Spring: Nov. 24–Jan. 19

HOURS: 8 a.m.–11 p.m. Every Day

Payment must be received in the Cashier's Office on the payment deadline date by time noted above. Postmarks are not a consideration.

### PAYMENT DEADLINE

Wintermester: Dec. 10, 5 p.m.  
Spring: Jan. 8, 8 p.m.

AFTER PAYMENT DEADLINE DATE, PAYMENT MUST BE MADE ON DAY OF REGISTRATION. AN UNPAID BALANCE AT THE END OF THE DAY WILL CAUSE YOU TO BE DROPPED FROM ALL CLASSES YOU REGISTERED FOR ON THAT DAY, REGARDLESS OF ANY PAYMENT MADE.

# E-Schedule

Want a comprehensive class search tool? Then check out our award-winning e-schedule. This downloadable system allows students to access schedule information quickly and easily.

Sort course offerings by subject, course name, term, time of day, type of course (i.e. web or honors) and location. Build your schedule in e-schedule. Then open your web browser and register online using Webline registration screens.

Simply download the e-schedule from

[www.ccccd.edu](http://www.ccccd.edu), and the schedule stays on your desktop ready to load updates all year long simply by clicking the update button.

Mac users may access CCCCD's online listing of class schedules at [https://studentservices.ccccd.edu/course\\_catalog/course.htm](https://studentservices.ccccd.edu/course_catalog/course.htm)

# Payment

**PAYMENT DEADLINES:**  
**Wintermester: Dec. 10, 5 P.M.**  
**Spring: Jan. 8, 8 P.M.**

## PAYMENT POLICIES

CCCCD accepts cash, check, MasterCard, VISA, or Discover. Two-party, out-of-state, or temporary checks are not accepted. We require a valid Texas driver's license of the person signing the check and the student's Social Security number and local address. Personal checks submitted for any fees will have your student ID number written on them. If you prefer not to have your ID number on your check, please submit your payment by cashier's check, money order, or when appropriate cash (other than "mail-in" or "drop-off" registrations). College staff will write the student ID number where a student has not done so already.

Full payment must be received at any Cashier's Office by closing on the payment deadline date (See Telephone/Webline payment options). *Students with outstanding balances after 5 p.m. on Dec. 10 for Wintermester and after 8 p.m. on January 8 for Spring will be dropped from ALL classes. Partial payment will not prevent ALL classes from being dropped.*

**Students who register during On-Site Registration, Late Registration, or for weekend, Express, or mini-semester classes must pay in full at the time of registration.**

## PAYING BY DROP BOX

A drop box is located outside the SCC Cashier's Office. Drop box payments may be made only by check, money order, or cashier's check and must include the student's name, Social Security number, driver's license number of the person writing the check, and a daytime phone number.

## BALANCE INQUIRY

To verify that payment has been received and credited to your account, call Telephone Registration at 469.452.2222 or 469.757.2222 or log onto Webline at [www.ccccd.edu](http://www.ccccd.edu).

Although statements will be mailed to students registering before December 1 for Wintermester and before December 18 for Spring, students are required to make full payment prior to the payment deadline whether they receive a statement or not.

## THIRD PARTY BILLING

A voucher from the business or agency paying the tuition must be presented to the Cashier's Office prior to the payment due date.

## TELEPHONE/WEBLINE PAYMENT OPTIONS

### ENROLLMENT IS COMPLETE ONLY UPON FULL PAYMENT OF TUITION AND FEES.

The Cashier's Office advises students to pay tuition and fees when enrolling.

**Your registration will be cancelled if full payment is not received in the Cashier's Office by the payment deadline.**

- Enter your VISA, MasterCard, or Discover number\* and expiration date when you register via the Telephone/Webline system. For Telephone registration payments, use option 3 on the main menu. **OR**
- Pay with your check on Webline; **OR**
- Pay at the Cashier's Office during regular business hours prior to the payment deadline; **OR**
- Mail your statement with a check or money order (include the Texas driver's license number of the person signing the check and the student's Social Security number) to be received by the payment deadline (**postmarks are not a consideration**) to: CCCC, Cashier's Office, P.O. Box 869055, Plano, TX 75086-9055; **OR**
- Mail your statement with your credit card number, expiration date, and signature to the Cashier's Office (see address above) by the payment deadline (**postmarks are not a consideration**).
- After payment deadline (see page 8 for exact dates) an unpaid balance on ONE class at the close of the business day will cause you to be dropped from ALL classes, including those you have previously paid for on that day. For example: if at 9 a.m. you register for 9 hours and pay CCCC in full, and at 10:30 a.m. you register for 3 more hours and do not pay for these hours by the close of business that day, **you will be dropped from ALL 12 HOURS.**
- **If registration is cancelled for non-payment, it is the responsibility of the student to re-register in classes.**

*\* If you input a credit card number and expiration date to charge your tuition, the Telephone or Webline systems will indicate whether your tuition will or will not be charged to your credit card.*

## REFUNDS

The state-mandated refund policy is outlined below. 100 percent refunds are calculated based on withdrawals and drops occurring prior to each semester's first class day. Each semester's first class day is always the first official day of the semester, not the first day of an individual's class.

Students in cancelled classes, who do not add another class, will automatically be dropped and will receive a full refund.

Refunds are processed approximately 5 weeks after the first class day. Refund checks are mailed to students at the address on file in the Admissions and Records Office. Students who pay by credit card will have their account credited. **The \$2 non-refundable record fee and the \$2 non-refundable student ID fee will be deducted from all refunds.**

Spring Withdrawals	Refund
On or before Jan. 19: .....	100 %
Jan. 20–Feb. 5: .....	70 %
Feb. 6–11: .....	25 %
After Feb. 11: .....	None

## Tuition Installment Plan

**First day for deferment option is December 8.** The deferment process for Telephone and Webline early registration must be completed by 7 p.m. on Jan. 8. Deferment applications will be accepted Jan. 12, 13, 14, 15, and 16. Deferments are processed in the cashier's office at SCC, CPC, and PRC from 9 a.m. until one hour before closing.

**Stopping payment on your check will not cancel your payment plan.** Any refund due because of dropping or withdrawing from courses will be applied to any payment due. Official grades and transcripts may be withheld until all payments have been made. TUITION INSTALLMENT PLAN cannot be made online.

Second payment equal to 25 percent of all tuition and fees is due Feb. 12 at 5 p.m. Final 25 percent payment is due March 11 at 5 p.m. See the Cashier's Office for more details (including penalty for late payment).

## Withdrawals from Express Classes & Mini-Semesters

Refunds vary. Check with the Cashier's Office for specific dates and refund amounts.

# Academic Opportunities

## CENTER FOR CIVIC ENGAGEMENT & SCHOLARSHIP

The Center for Civic Engagement and Scholarship (CCES) brings together faculty, students and community partners involved in academic initiatives that focus on scholarship, leadership, and community involvement.

This interest in community service serves as a catalyst to create deeper learning for students, while also instilling democratic values of citizenship and civic engagement.

The Center will increase collaboration within existing programs by integrating activities and communication between programs and by serving as a clearinghouse for the following:

- Service-learning  
Texas Campus Compact regional center
- Student Leadership Academy
- Learning Communities
- Honors Institute
- Emerging Scholars
- CASMNS
- Phi Theta Kappa
- Psi Beta
- Student Government Association

For information, call 972.548.6739, or go to [www.ccccd.edu/servicelearning](http://www.ccccd.edu/servicelearning)

## TEACHER CERTIFICATION

### *Interested in becoming a teacher?*

The Center for Teaching, Learning and Professional Development (CTLPD) now offers courses that allow students to begin meeting university requirements for teacher certification. Undergraduates seeking teacher certification for grades EC-4, 4-8 or 8-12 will benefit from the services provided by the CTLPD including degree planning, certification, and transfer information.

The CTLPD also offers an alternative teacher certification program for secondary level teacher certification. To qualify for the program, applicants must hold a bachelor's degree and meet admission requirements.

For further information on either program, please contact the Center for Teaching, Learning and Professional Development at 972.377.1062.

## EMERGING SCHOLARS

Future leadership in math, science, English, and foreign languages are the heart of the Emerging Scholars program at CCCCD. Each year, professors identify students who excel and show outstanding scholarship potential in the fields of mathematics, natural science, English, and foreign languages for recognition as Emerging Scholars.

The achievements of students who are acknowledged as Emerging Scholars serve as benchmarks for success among their peers, elevating them to leadership status. Thus, Emerging Scholars assume service roles, assisting their peers as tutors in math, science, writing, and language labs.

CCCD Emerging Scholars have gone on to become solid examples of academic excellence. Over the past few years, over 20 Emerging Scholars have received Redman Scholarships, the most prestigious scholarship available at the University of Texas at Dallas. In addition, several have advanced to medical school.

## SERVICE-LEARNING A National Award-Winning Program

"Engage!" "Connect!" "Impact!" "Evolve!" Make a difference through civic engagement. To be civically engaged is to serve as a catalyst for positive change; to be interested in the ideals of a democratic society, the pursuit of academic excellence, and the power of collective action and effective leadership in the community. A great way to become civically engaged is to be a part of CCCCD's Service-Learning Program.

Service-Learning is an academically based community service that combines academic course goals with community needs.

The CCCCD Service-Learning Program is the recipient of the Campus Compact National Center for Community Colleges 2000 Collaboration Award, the nation's highest honor for Service-Learning programs in community colleges. CCCCD is also the 2001

Bellwether Award recipient, honoring our "Engaged Scholarship" initiative, a partnership between Service-Learning and Learning Communities.

### **Participants gain:**

- Enriched learning experiences
- Leadership opportunities
- Improved self-esteem
- Satisfaction from contributing to society
- Job contacts
- Increased scholarship opportunities
- College resume enhancement
- Development of critical thinking skills

For more information and to learn the process for participating in the program go to [www.ccccd.edu/servicelearning](http://www.ccccd.edu/servicelearning), or contact Regina M. Hughes, CCES Director, at 972.548.6739 or e-mail [rhughes@cccd.edu](mailto:rhughes@cccd.edu).

## THE TEXAS TWO-STEP PROJECT

### *Attention CCCCD Students*

Apply up to 24 of selected technical credit hours towards a BA/BS degree. The Texas TWO-STEP project offers a seamless transition from an associate of applied science degree in specified areas to a BA/BS degree in Interdisciplinary Studies or a BA/BS degree in Science at the University of Texas at Arlington.

Contact the UTA/Community College Transfer Consortium: Texas TWO-STEP Project at 817.266.7831 or email Michele Padilla at [mpadilla@uta.edu](mailto:mpadilla@uta.edu).

The Texas TWO-STEP Project is funded by the Carl D. Perkins Vocational and Technical Education Act of 1998 through the Texas Higher Education Coordinating Board.

## LEARNING COMMUNITIES – A National Award-Winning Program

Become a member of a learning community by enrolling concurrently in a cluster of courses. Study with the same small group of students in an atmosphere that promotes peer learning, networking, and an understanding of the interrelationship of topics and disciplines. The faculty of each course will work as a team, engaging students in discussions, applications of concepts, and collaborative learning activities with classmates.

Students must enroll in each course concurrently and remain in the cluster for the semester.

**To register, use the Call Numbers listed under “Learning Communities” on p. 43–44 to automatically enroll in the course cluster.**

For more information, please call the Social Sciences, Health, and Public Services Division at 972.881.5800.

\*This new course applies Digital Signal Processing (DSP) techniques from the famed “Infinity” program developed at Southern Methodist University to bring introductory engineering subject matter to life.

## ACADEMIC COOPERATIVE EDUCATION

Academic Cooperative Education – referred to in the course listings as “Academic Co-op” and “Cooperative Education” – is a course providing practical work experience in a chosen career field.

Students must be employed and receive Cooperative Work Experience (CWE) approval before registration. Students may utilize CWE’s employment assistance service to locate career-related employment or use their current jobs if career related and approved by CWE.

In some disciplines, this work experience course is required as part of the certificate or degree program.

“Internship” and “Practicum” are also referenced in course listings. These work experience courses may use CWE as their vehicle for conducting the course or they may do so through the academic department.

Students must meet eligibility guidelines for participation in CWE. Students may contact the CWE Office or their specific disciplines for guidance and prerequisite requirements.

For more information, contact the Career Services & Cooperative Work Experience Office:

## DAILY FLEX ENTRY CLASSES

Office Systems Technology and Computer Networking Technology offer courses with flexible entry dates. These courses are listed separately from the full-term courses, under the specific department. You determine the times that work for your schedule.

The Computer Networking Technology courses may be registered for until March 22 or 29, depending on campus. Students attending PRC may attend classes anytime between 3 p.m. and 11 p.m., Monday through Thursday, and 9 a.m. and 5 p.m. on Saturday. Students attending CPC may attend classes

anytime between 10 a.m. and 11 p.m. Monday through Thursday, and 4 p.m. and 11 p.m. on Saturday. Students attending CCCCD@Allen may attend classes between 2 p.m. and 9 p.m. Monday and Wednesday. All classes will end by May 15, 2004. For additional information, contact the Engineering Technology Division at 972.377.1715. See Computer Networking Technology for specific course offerings.

Office Systems Technology also offers courses through daily flex entry. Students may attend class from 9 a.m. to 9 p.m. Monday through Thursday at CPC, Room

A202, or SCC, Room J112, and Friday 9 a.m. to 1 p.m. at SCC only. Students may register for specific courses until April 5, but you must complete the course by May 15, except for POFM 1331, POFM 2313, and POFM 2317 Medical Transcription courses (e-mail Linda Thompson at lthompson@cccd.edu for specifics on the full 16-week option, if necessary.) For additional information, contact Mary Jane Tobaben at 972.881.5170. See Office Systems Technology section for specific course offerings.

## CENTER FOR ADVANCED STUDY IN MATHEMATICS & NATURAL SCIENCES

CCCD has established a preferred curriculum for students preparing to enter professions that require an extensive background in mathematics and natural science.

Based at Spring Creek Campus, the Center includes advanced courses in biology, chemistry, physics, and mathematics for students in pre-professional majors.

The first sequence of each course is offered during the fall semester and the second sequence only during the spring semester.

Courses offered this semester include:

BIOL-1407.SC1 ..... General Biology II

CHEM-1412.SC1 ..... General Chemistry II

MATH-2419.SC1 ..... Accelerated Calculus II

PHYS-2426.SC1 ..... University Physics II

For more information, contact the Mathematics and Natural Sciences Division at 972.881.5880.

### LABS

There are three types of labs at CCCCD:

- **"Group Labs"** do not need to be registered for separately and will be explained by the instructor.
- **"Course Specific Labs"** are listed in the class schedule with the lecture section.
- **"Individually Scheduled Labs"** indicate lab time that will be arranged by the instructor with the student.

### ABBREVIATIONS

### SELF-PACED COURSES

These are offered in a format that allows students to progress at their own pace. Classes meet as scheduled and attendance is required.

### COURSE CHANGES

The courses in this schedule will be taught as listed, provided there are sufficient students enrolled in each section to justify the course offering. The scheduled time, room and instructor reflect the intention of the college at the time this schedule is published and are subject to change. These listings are not an assurance to students that courses will be offered exactly as listed. For updated information on changes and/or added courses, visit our website.

### LEGEND

Class will be taught in computer classroom. Keyboard skills required.

Enrollment Requires CWE Approval. See page 12.

# Wintermester Web Courses

Web-based courses offer you the flexibility to obtain your education on your timetable. Instructional materials, readings, assignments and in some cases, class discussions may be accessed whether you are at home, at work, on the road, or on vacation. On-line courses require the same commitment of time as in-person courses. Due to their unique method of delivery, these courses require maturity, self-motivation, and self-discipline to complete them successfully.

**It is mandatory that you review the course sites and review the following website prior to enrolling: <http://online.ccccd.edu>**

**You must also e-mail the instructor as soon as you register.**

If you have any questions or problems about on-line courses, please contact hdeluna@cccd.edu or call 972.881.5828 or 972.881.5871. Hours of operation are Monday–Thursday 7:45 A.M.–10 P.M. or Friday 7:45 A.M.–5 P.M. For Network status information, call the Help Desk at 972.548.6555.

**As soon as you enroll in a web course you must:**

- 1 E-mail the instructor as soon as you have registered for the course.
- 2 Access the course sites during the first week of classes, unless otherwise noted.
- 3 Have a valid e-mail address.
- 4 Have Netscape Navigator or Microsoft Internet Explorer compliant access. Please note some courses may have additional software requirements, check with the instructor.
- 5 Have 28.8 kbps modem connection, the suggested minimum access speed for these courses, or better.
- 6 Know that America Online does not support access to some of these courses.

Please note, you may be required to come to campus for some courses (orientation, testing)— please check the course listings in this section, then e-mail your instructor and visit the class website to obtain more information.

# Web Courses

Web-based courses offer you the flexibility to obtain your education on your timetable. Instructional materials, readings, assignments and in some cases, class discussions may be accessed whether you are at home, at work, on the road, or on vacation. On-line courses require the same commitment of time as in-person courses. Due to their unique method of delivery, these courses require maturity, self-motivation, and self-discipline to complete them successfully.

**It is mandatory that you review the course sites and review the following website prior to enrolling: <http://online.ccccd.edu> You must also e-mail the instructor as soon as you register.**

If you have any questions or problems about on-line courses, please contact hdeluna@cccd.edu or call 972.881.5828 or 972.881.5871. Hours of operation are Monday–Thursday 7:45 A.M.–10 P.M. or Friday 7:45 A.M.–5 P.M. For Network status information, call the Help Desk at 972.548.6555.

**As soon as you enroll in a web course you must:**

- 1 E-mail the instructor as soon as you have registered for the course.
- 2 Access the course sites during the first week of classes, unless otherwise noted.
- 3 Have a valid e-mail address.
- 4 Have Netscape Navigator or Microsoft Internet Explorer compliant access. Please note some courses may have additional software requirements, check with the instructor.
- 5 Have 28.8 kbps modem connection, the suggested minimum access speed for these courses, or better.
- 6 Know that America Online does not support access to some of these courses.

Please note, you may be required to come to campus for some courses (orientation, testing)— please check the course listings in this section, then e-mail your instructor and visit the class website to obtain more information.

# Courses on Television

Telecourses are non-classroom, video-supported courses utilizing texts, study guides, and video materials. Telecourses are pre-taped and are televised by Comcast cable in most areas. See Live Interactive Courses for stations. Students have three options for viewing telecourses:

1. Students may watch the two 30-minute programs aired weekly for the entire semester on TV or videotape the courses for viewing at a later date
2. Students may view the videos on-campus in the LRC at CPC, PRC, or SCC; -OR-
3. Students may purchase a set of videos at the SCC bookstore.

**Students enrolled in some telecourses are required to attend an Orientation Session for each of the telecourses in which they are enrolled.** Orientation dates and times are printed directly below the course number in this section. All telecourses require some type of writing assignment, which may be delivered to the professor in person, via e-mail, or via fax.

All testing is held in the Testing Center on the campus in which the student is enrolled.

## Live Interactive Courses

Live interactive courses are offered through Comcast Cable:

- \* Allen and McKinney, Channel 76
- \* Plano and Richardson, Channel 39
- \* Frisco, Channel 71
- \* The Colony, Channel 71

Some courses will also be broadcast simultaneously in SCC, CPC, and PRC classrooms. During the live televised courses, students may call the instructor with questions via telephone. Students may also videotape the course for home viewing at a later date or view copies at the CPC, PRC, or SCC LRC Circulation Desk.

**It is essential that students watch the first broadcast to receive important information regarding the course. Information for the first episode will be mailed to students after they have registered.**

Some courses may require a writing assignment, which may be delivered to the professor in person, via e-mail, or via fax. **In addition, students enrolling in SPCH-1311 are required to participate in communication skills assessments and present speeches on-site at SCC.**

Most testing is held in the Testing Center on the campus in which the student is enrolled. Consult your professor for details.

# Weekend College

CCCCD offers a number of weekend classes to enable professionals and busy individuals to take courses on campus at a time when it is convenient for them. *Weekend College* courses cover the same material and are worth the same number of credit hours as semester-length courses.

Whether enrolling to complete a certificate or degree program or just for

personal interest and pleasure, students can choose from several weekend classes.

Weekend classes meet Friday evenings, Saturdays, and/or Sundays only. Following is a listing of the Weekend College courses that are currently being offered.
