Evaluation Sections

A. Strategic Plan

1. State the mission of the program.

CCCCD Mission Statement: “Collin County Community College District is a student and community-centered institution committed to developing skills, strengthening character, and challenging intellect.”

CCCCD Core Values: We have a passion for Learning, Service and Involvement, Creativity and Innovation, Academic Excellence, Dignity and Respect, and Integrity.

CCCCD Purpose Statement: Through its campuses, centers, and programs Collin County Community College District fulfills its statutory charge to provide:

- Academic courses in the arts and sciences to transfer to senior institutions.
- Technical programs, leading to associate degrees or certificates, designed to develop marketable skills and promote economic success.
- Continuing adult education programs for academic, professional, occupational, and cultural enhancement.
- Developmental education and literacy programs designed to improve the basic skills of students.
- A program of student support services, including counseling and learning resources, designed to assist individuals in achieving their educational and career goals.
- Workforce, economic, and community development initiatives designed to meet local and statewide needs.
- Other purposes as may be directed by the CCCCCD Board of Trustees and/or the laws of the State of Texas.

2. Does the mission of the program support the overall mission of the college?

☐ YES ☐ NO ☐ Partially

List and demonstrate ways the mission of this service/ administrative unit supports the overall mission, core values and purpose of the college.

3. Are the program goals appropriate for the student population?

☐ YES ☐ NO ☐ Partially

State the program goals and link each one, specifically, to the student population that CCCCCD serves:

The 2002-2004 strategic goals for CCCCCD are:

- (A) Elevate CCCCCD to the echelon of world-class education.
- (B) Develop a model teaching and learning environment.
- (C) Expand, enhance and promote mutually beneficial relationships with business, industry, government and education.
- (D) Improve student achievement.
- (E) Develop an exemplary information technology infrastructure that is responsive to the instructional and administrative needs of the District.

4. Do program goals support the strategic goals of the college?

☐ YES ☐ NO ☐ Partially

List ways this college service/ administrative unit supports the CCCCCD strategic goals. There should be evidence that the college service/ administrative unit has derived its goals from its strategic plan and that the goals are appropriate for the student population, the community, and the goals of CCCCCD.

5. Are the program goals measurable?

☐ YES ☐ NO ☐ Partially

Describe how each goal is measured:

6. Do program goals include measurable student outcomes?

☐ YES ☐ NO ☐ Partially

List which program goals are based on measurable student outcomes:

7. How often are the goals, mission statement, and objectives of the program revised? How are revisions decided upon?

Analysis of Program Mission, Goals and Objectives

Analyze and discuss the above responses in relation to the mission, goals, core values and purpose of CCCCD. Examples of topics to cover include, *but are not limited to*, the following:

- Are there ways the goals and objectives can be improved?
- Are the goals, objectives, and mission consistent with resource limits?
- Are the goals, objectives, and mission appropriate for the clients being served?
- Given the new (2004-2006) strategic goals of the college, do revisions to the mission, goals and objectives of the program need to be made?

B. Enrollment

3. Is enrollment in each course sufficient to warrant offering of the course and listing of the course in the catalog?

☐ YES ☐ NO

4. Are there any courses with consistently low enrollment? If so, discuss possible reasons why and how to address this problem.

C. Curriculum

1. Does the program have an advisory committee?

☐ YES ☐ NO

If yes, what role does the committee play in curriculum development?

2. Is the process by which the course content is reviewed well defined?

☐ YES ☐ NO

Describe the process by which course content is reviewed:

3. Are the catalog descriptions of the program and its courses current?

☐ YES ☐ NO

Describe the process by which catalog information is reviewed:

4. Are course prerequisites reasonable?

☐ YES ☐ NO ☐ Partially

Supporting Statement:

5. Are syllabi regularly evaluated?

☐ YES ☐ NO

Describe the process used to evaluate course syllabi:

6. Are program course offerings similar to those at other institutions?

☐ YES ☐ NO

Compare and contrast CCCC'D's offerings to those of other institutions.

7. Is the curriculum designed to consider the institutions to which program students transfer?

☐ YES ☐ NO

Supporting Statement:

8. Have articulation agreements for upper division study at other institutions been developed?

☐ YES ☐ NO ☐ Partially

Supporting Statement:

9. Does the program offer courses in several formats (lecture, telecourse, short semester) to accommodate a variety of student needs?

☐ YES ☐ NO

Supporting Statement:

10. Are students who complete courses in non-traditional formats (e.g., Maymester, Distance Learning, and Learning Communities) required to acquire comparable levels of knowledge and competencies as in traditional course formats?

☐ YES ☐ NO

Provide/document evidence of comparability.

11. Does the program keep current with national trends in the program area?

☐ YES ☐ NO

Describe activities/processes engaged in that keep the program current.

12. Does the program sponsor extracurricular activities as a service to the community?

☐ YES ☐ NO

List all extracurricular activities sponsored during the last five years.

13. Does the program offer similar or preferable degree options compared to other North Texas area colleges?

☐ YES ☐ NO

Compare and contrast CCCCD's degree options to those of other institutions.

14. Does the program utilize appropriate technology to facilitate student learning?

☐ YES ☐ NO

List types of technology and ways in which it is used.

D. Faculty

1. Is the number of full-time faculty members adequate to provide effective teaching, advising, and participation in curriculum development and policymaking?

☐ YES ☐ NO

Supporting Statement:

2. Do full-time faculty members participate in task forces, councils and senates for the improvement of educational programs at CCCCD?

☐ YES ☐ NO ☐ Partially

Insert or append a listing of activities for full-time faculty:

3. Describe the involvement of associate faculty in discussions about curriculum, textbook selection and other issues that affect student learning and program quality.
-

4. How do faculty members exhibit engagement in the community or services to the community?
-

5. Are assignments of faculty loads equitable and reasonable, taking into account factors such as number of preparations, number of students taught, the nature of the subject, faculty responsibilities other than teaching, and availability of support staff?

☐ YES ☐ NO

Supporting Statement:

Gender, Age, and Ethnicity of Full- and Part-Time Faculty Members

Demographic Info		# Full-Time Faculty	# Part-Time Faculty

This information is provided on evaluation diskette – See file “Space Util_All Campuses.xls”

1. Is faculty office space sufficient for full-time and part-time faculty?

☐ YES ☐ NO

Supporting Statement:

2. Is classroom space sufficient for program needs?

☐ YES ☐ NO

Supporting Statement:

3. Are laboratories sufficient for program needs?

☐ YES ☐ NO

Supporting Statement:

4. Is storage space sufficient for program needs?

☐ YES ☐ NO

Supporting Statement:

5. Is equipment sufficient for program needs?

☐ YES ☐ NO

Supporting Statement:

6. Is the program budget sufficient to meet program needs?

☐ YES ☐ NO

Supporting Statement:

7. Are the program goals consistent with resource limits?

☐ YES ☐ NO ☐ Partially

Supporting Statement:

8. Does the program receive sufficient means to provide for faculty and staff development?

☐ YES ☐ NO

Supporting Statement:

9. Do the number and qualifications of support personnel meet the program needs?

☐ YES ☐ NO

Supporting Statement:

F. Student Outcomes

Course Completion

The Course Completion rate is the number of students retained in the course divided by the enrollment on the 12th day of class.

Course	Fall 2001	Spring 2002	Fall 2002	Spring 2003
	Completion Rate (%)	Completion Rate (%)	Completion Rate (%)	Completion Rate (%)

Source: CCCCD Student Information System based on Brio query (H:\) run on XX/XX/XX.

1. Are the course completion rates adequate for the level of difficulty of the courses?

☐ YES ☐ NO

Are there any courses with consistently low completion rates? If so, discuss possible reasons why and how to address the problem. Are there any courses with consistently high completion rates? If so, discuss possible reasons why and if there are successful strategies that could be shared with other instructors/courses.

Course Success

Course Success rate is defined as the number of students who received a letter grade of A, B, or C divided by the enrollment on the 12th day of class.

Course	Fall 2001	Spring 2002	Fall 2002	Spring 2003
	Success Rate (%)	Success Rate (%)	Success Rate (%)	Success Rate (%)

Source: CCCCD Student Information System based on Brio query (H:\) run on XX/XX/XX.

2. Discuss the course success rates in relation to the mission and goals of the program and the mission, core values, goals, and purpose of the college

Inventory of Assessment Methods

3. Provide a list of assessment methods used by faculty within the department to assess student outcomes. For each assessment method listed, provide a description of how the results are used to enhance the program or student outcomes.

Assessment Method	Use of Results
1.	
2.	
3.	
4.	
5.	

4. Analyze and discuss the list of assessment methods shown above. What other methods could be used to assess student outcomes in the program more efficiently or effectively?
5. Specifically identify the methods that will be used to determine if students are attaining the Basic Intellectual Competencies and the appropriate Core Area Exemplary Educational Objectives.

G. Assessment Activity

For the Assessment Activity, the Internal-Review Task Force should engage in an assessment of an issue, problem, or opportunity that is relevant to the program as previously identified in Sections A-F of this document that might require more in-depth analysis. The assessment can be qualitative (e.g., interviews, focus groups, etc) or quantitative (e.g., surveys, analysis of existing data, etc). **The emphasis of the assessment activity should be on program improvement.**

Please provide a summary of the assessment activity below. The summary should include (1) a clear research question that is to be answered by the assessment, (2) what assessment methods were used, (3) the steps involved in conducting the assessment, (4) the results of the assessment as they relate to program improvement, and (5) how the results will be used to enhance the quality of the program.

Strengths and Weaknesses

After reviewing the findings of the Internal-Review presented in the sections B through H and conducting their own evaluation, the External-Review Task Force offers their assessment of the strengths and weaknesses of the program being evaluated.

A. Describe and document the strengths of this unit.

- a.
- b.
- c.

<Add additional rows if needed>.

B. Describe and document the weaknesses of this unit.

- a.
- b.
- c.

<Add additional rows if needed>.

Recommendations and Suggestions

Based on the strengths and weaknesses presented in the previous section and their own evaluation results, the External Review Task Force offers their recommendations and suggestions as to how to address the weaknesses of the program being evaluated.

Note: the recommendations must be based on the weaknesses described in the previous section. There should be *at least one* recommendation for each weakness.

Recommendations

<Add additional rows if needed>.

Open Meeting

The open meeting provides an opportunity for each program to reach out to all of its constituents in order to gain a wide range of perspectives, ideas, and judgments. Persons who might be invited to attend the meeting include faculty, students, administrators, alumni, employers, community members with an interest in the program, and any other interested party.

In the open meeting, the External Review Task Force should review the findings of the Internal-Review Task Force and summarize its findings relevant to the improvement of the program and student outcomes.

Provide a summary of the open meeting discussion below.

<Insert summary here>

Following the open meeting, the **External-Review Task Force** should discuss any feedback given and agree on and make any necessary modifications to the strengths/weaknesses, recommendations/suggestions, and executive summary sections of the final evaluation report.

The Internal-Review Task Force is responsible for all other modifications.
