¹Explanation of abbreviations related to reporting period: AY = Academic Year (fall and spring semesters); FY = Fiscal Year (fall, spring, and summer); IY = IPEDS Year (federal reporting year includes summer, fall, and spring); Fall = fall semester only. Reporting periods are determined by the reporting universities.

² Cells that are not highlighted identify instances when universities provided GPAs for Texas two-year college transfer students, including CCCCD students. Cells highlighted in yellow identify instances when universities provided GPAs for all two-year college transfer students, including CCCCD students. Cells highlighted in green identify instances when universities provided GPAs for all transfer students, including CCCCD students.
