Application Deadline for Spring 2004 is February 27!

Welcome.

The Academy for Associate Faculty at Collin County Community College District is an online professional development program designed to help acclimate new faculty to the community college teaching environment. The Academy is being implemented through a partnership that includes Northeast Texas Community College, Paris Junior College, Collin County Community College District, and Mountain View College. This project is supported with funds from the Carl Perkins Discretionary Grant Program administered under the auspices of the Texas Higher Education Coordinating Board, Austin, Texas.
