If you are eligible and wish to attend please contact your division secretary for the correct form.

For the complete listing of CE courses, click on Continuing Education (to your left.) For a complete listing of Professional Development courses, click on Professional Development Spring 2004 (to your left).

If you are interested in any of the courses offered in the Continuing Education schedule of classes, please complete a Professional Development Continuing Education Registration form today.

After cost center approval, please forward to the Office of Professional Development at SCC.

If you have any questions regarding the Professional Development Continuing Education form, please call Mary Wright at 5120 and she will help you complete your form.
