VCT
Virtual College of Texas

A Service of the Texas Association of Community Colleges

Providing Texans access to quality instruction and support regardless of distance or time constraints

The Virtual College of Texas is a collaborative of Texas' fifty community college districts and the Texas State Technical College System. Through VCT, students may register at their local colleges to take credit and non-credit distance learning courses from other colleges throughout Texas.

Contact your *local community college* if you are interested in a VCT course.
