## \*\*\*\* 1098T Information \*\*\*\*

Your 1098T Tuition Payment Statement will be mailed to your permanent address on or before January 30. Please allow 1 to 2 weeks for delivery. The 1098T reflects the billed amount on your student account in 2003. For a breakdown of the tuition and fees, access your individual account by logging into student services. You will need your student ID and pin number. For explanations of the requirements for (and how to figure) any allowable tuition deduction or education credit, see IRS Pub 970. Collin County Community College District cannot determine the taxpayer's eligibility for the tax credit, therefore, if you need further assistance you should contact a professional tax advisor.

The information provided here and on your personal account information is not intended as legal or tax advise. For complete tax information, obtain IRS Publication 970, Tax Benefits for Higher Education, or contact a tax professional about personal income tax situations.
