## Instructions for Accessing the OLC Innovate Conference Recordings

- Go to <u>https://my.onlinelearningconsortium.org/s/login/</u> and register a new user account or log into an existing OLC user account with your Collin email.
- Once you are logged in, select the "Register" option (this might appear in an orange box at the bottom of your screen). As long as your OLC user account is affiliated with Collin College, you should see an "unlimited Group Pass" or "Virtual Access" registration option at a price of "Free." Select this option, then proceed to the checkout to complete your registration.
- Once you are registered, you should receive an email confirmation that includes access instructions.
- Once registered, you can access the on-demand recordings through either of 2 ways: a "Classic" platform or their "Beta" experience.

## **BETA PLATFORM**

\**Note:* The Beta Platform is extremely user friendly, so you are encouraged to give it a try! To access the conference materials via the Beta Platform, please use the following link:

https://www.engagez.net/olc-innovate-2020#lct=entrance

- When prompted, enter your Collin email address.
- The conference home page will appear. Click on the box labeled "Sessions" to navigate to the list of available sessions.
- On the "All Scheduled Sessions" page you can search for sessions by designated "tracks," such as "Effective Tools, Toys, and Technologies" and "Teaching and Learning Practice." (You can also filter by room or speaker.) Once you choose a filter, a list of relevant sessions will appear.
- Click on "watch" underneath any session of interest to access the recording.

## For a walk-through and more details about using the Beta Platform, please watch the following video:

https://www.youtube.com/watch?v=3fT\_4XZhoBE&feature=youtu.be

## **CLASSIC PLATFORM**

**\*Note:** The Classic Platform access seems to work well using the Microsoft Edge web browser, though I have had some trouble with it while using the Google Chrome browser! The conference team is currently looking into this.

- Click "Attend" in the menu bar at the top of the page and select "Innovate 2020."
- Click on "Programs/Sessions" in the top menu bar, then "Full Program/Session Listing" from the drop-down menu that appears to access all of the sessions available.
