

Core Objectives Assessment Team (COAT)

Meeting Minutes

March 2, 2015
4:00 – 4:40 PM, CHEC – 225

Nicole welcomed Michael McConachie as the new Co-Chair of COAT and expressed appreciation for the work Rich has done.

- 1. Workforce Assessment Vote:** After some discussion, a motion was made for COAT to begin, Fall 2015, to also assess students who have completed 15 credit hours of General Education requirements; thus, allowing Collin's Workforce programs to meet the state requirement of assessing workforce students, using the same criteria as our transfer students. The motion passed.
- 2. Critical Thinking Rubric:** The subcommittee will continue to meet to better define this rubric. Nicole asked for current members of this subcommittee and any others interested in working on this rubric to stay after this meeting. This will need to be finalized and voted on at our next meeting.
- 3. Proposed Assessment Schedule for 2015-2016:** A list of courses that will be reviewed for the fall and spring semesters was shown. The schedule probably needs to be reviewed to insure workforce programs are being properly assessed. There was discussion that we may need to go back to having two assessments days, due to the addition of the workforce assessment. We also probably want to invite former COAT members to assist. Faculty needing service, during the summer, could use this to meet this requirement.
- 4. AAC&U Global Learning in College:** Information was provided, via email, for all interested parties.
- 5. New Business:** Due to the cancellation of the February meeting, to allow faculty to take part in the Presidential search opportunities, this meeting was moved to March; therefore, the March 23rd meeting has been cancelled.
- 6. Next COAT meeting:** April 21st /4:00/CHEC-225
