

# Core Objective Informational Rubric: Personal Responsibility

---

Through the Texas Core Curriculum, students gain a foundation of knowledge about human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills essential for all learning. There are six core objectives in the Texas Core Curriculum.

*The Texas Higher Education Coordinating Board has defined the core objective of “Personal Responsibility” as the ability to connect choices, actions, and consequences to ethical decision-making*

## CRITERIA USED IN ASSESSMENT

### ***Understanding ethical issues***

Ethical issues are those that involve moral values or principles; concepts of right and wrong

### ***Understanding choices and actions***

Choices and actions are defined as the possible responses to an ethical issue

### ***Understanding consequences***

Consequences are defined as the result or outcome of making a choice and/or taking action
