

Core Objective Informational Rubric: Social Responsibility

Through the Texas Core Curriculum, students gain a foundation of knowledge about human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills essential for all learning. There are six core objectives in the Texas Core Curriculum.

The Texas Higher Education Coordinating Board has defined the core objective of “Social Responsibility” as intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities
