

MULTI-YEAR CONTRACT RENEWAL PROCESS

In place since approximately 1990, this annual process for full-time faculty Multi-Year Contracts (MYC) provides for each layer of review to recommend support/does not support: Associate Dean/Director, Dean, Council on Excellence (COE), Provost, Senior Vice President – Campus Operations (SVPCO), and District President.

Notifications of non-renewal to faculty (MYC) by January 31;

Notifications to faculty (one-year) by March 1.

This represents the multi-year contract review; contract extensions follow a similar process.
