

Safety Committee Agenda

April 4, 2025, 3:00 p.m., CHEC 110

I. Chief Scott Jenkins

a. Handgun Policies & Practices

- Chief referenced Board policy CHF (local) as guiding policy for the committee and foundation for district policies and practices.
- 3 arrests for handguns in prohibited areas.
- Reference to a weapon during a fight between employees @ Plano.
- Airsoft guns were used on the McKinney Campus.
- Threats of guns in student housing (hearsay)
- FBI contacted us re a social media threat of a weapon on campus. Found to be a hoax.

b. Camera System Successes

- Multiple uses helped in resolving cases of destruction, burglary, family violence, etc

c. Cellular Project

- Chief provided updated history and status of the current Ericsson cellular DOT system at the Technical campus. It is going to be applied across the district.

The question raised re: whether the cellular DOT could be tied to a generator in case of a power outage. BK to follow up with Shane.

d. School Marshal Update

- The next cohort (3rd) is in May.
- 1st cohort goes through retraining soon (conducted every two years).

II. Mike Messina – Wylie Exercises

- The next tabletop exercise is scheduled for the end of April. It will be severe weather-focused
- This is one step of the bigger exercise set for next year. Other steps include active shooter, leadership, etc.
- Full-scale exercise will be on January 11, 2026, at Wylie, involving 200+ people.
- Executive summary provided.

III. Round Robin - None
