

Safety Committee 2023-2024 Roster

From Board Policy CHF (LOCAL):

The District President shall appoint a standing committee, the Collin College Safety Committee that is chaired by the Executive Vice President and includes representatives from the administration, faculty, staff, and student government. The committee shall be charged with meeting as needed, but at least once each fall and spring semester to review the College’s policy, any new legislation and legal decisions relating to this issue, and the effectiveness of the implementation of the College’s policy. Advisory notes and recommendations from the committee shall be forwarded for review and consideration by the Executive Leadership Team, District President, and Board of Trustees, as necessary.
