

PLA Linked Course Report Fall 2025

The courses listed below have been processed as Continuing Education (CE) linked courses with the intention of providing students with the opportunity to petition for credit. All departments offering these specified CE linked courses are required to submit a *Departmental Process Plan for Linked Courses* to the Curriculum Office. Below are the statuses of select prior, current, and prospective linked courses as of Fall 2025.

An *asterisk* denotes a course that is required in a Continuing Education award.
