

UTD DOCTORAL SCHOLARSHIPS FOR COLLIN ADMINISTRATORS

Ten scholarships are available each year within the UTD Doctoral Partnership Program for full-time Collin College faculty, staff, and administrators. All eligible full-time employees are encouraged to apply.

ELIGIBILITY AND APPOINTMENT PROCESS:

Collin College's full-time administrative staff members who currently serve on the leadership team, leadership team members' direct reports who serve in senior administrative roles, vice presidents, vice president/provosts, associate vice presidents, associate provosts, deans, and associate deans are eligible to apply for the UTD Doctoral Scholarship for administrators. Applicants must have a minimum of one year of regular (not temporary) full-time service with the college and be in good standing with no documented disciplinary actions filed with Human Resources during the period of one year prior to applying for this scholarship. Acceptance into a UTD doctoral program in administration, an academic field of study, or another job-related field is required.

All applicants for UTD scholarships are evaluated using the following criteria: length of service with Collin College, grade point average in most recent degree program, reason for wanting to obtain a doctoral degree, applicability of the proposed doctoral degree to current position, engagement at Collin, and service to Collin beyond the scope of the current position. Scholarship applications are reviewed by a selection committee (where applicable) and/or members of the leadership team. Priority will be given to full-time faculty.

RESPONSIBILITIES:

To participate in the University of Texas at Dallas Doctoral Partnership employees are required to sign an Employment Training Agreement. By signing this agreement, the employee agrees that if he/she voluntarily leaves full-time employment within the period of the agreement, the employee will fund a one-time \$2,000 scholarship to the Collin College Foundation.

Scholarship recipients must re-apply every year for the scholarship, noting progress made toward the degree during the previous year. Progress is defined as completing a minimum of three courses per academic year (September through August). A maximum of five years may be granted toward completion of the doctoral degree through this scholarship program.

To be considered for the scholarship renewal, the administrator must fill out the reapplication section of the application form in accordance with the applicable timeline and submit the form along with a copy of the most recent transcript to the TrainingAndDevelopment@Collin.edu. The remaining steps in the application process will be

conducted, beginning with a review by the selection committee (where applicable) and/or Leadership Team members.

APPLICATION:

- The administrator applies to UTD and meets all the admissions requirements and application deadlines.
- Once admitted, the administrator submits the UTD Doctoral Partnership Scholarship Application for Collin Administrators to TrainingandDevelopment@Collin.edu.
