Licensure: An affirmation of competence within an employment field that is based on test/assessment performance. It must be attained to obtain gainful employment within the field.

Certification: An affirmation of competence within an employment field based on test/assessment performance. It may be attained to improve or expand employment or earnings opportunities, but it is not required to obtain gainful employment.

\*na: No data available from the licensing/certifying agency. NA: Not applicable.

\*\*Health Professions originated as an aggregation of health science disciplines. In fall 2020, it was decided to begin reporting each discipline separately. They are Certified Nurse Aid, Electrocardiogram Tech., Patient Care Tech., and Phlebotomy Tech..
