

Student Evaluation of Instruction  
Collin College

Collin College is committed to the continuous improvement of teaching and learning. Student input is an important component to evaluating the thousands of courses offered. Please take a moment to complete this short student evaluation of instruction to provide input on your experience in this course and with this instructor.

Respond to items 1 through 4 using a scale where the range is from “strongly agree” (4) to “strongly disagree” (1). Please provide additional feedback to your instructor by typing your comments into the space provided for items 6 through 8.

**\* 1. The course was well managed.**

*Questions to consider: Were classes/modules well-organized? Did the syllabus accurately and clearly describe assignments, test dates, deadlines, and course policies? Did the sequence of topics assist your learning? Did the class meet as scheduled?*

(4) Strongly Agree

(3) Agree

(2) Disagree

(1) Strongly Disagree
