

Question 1

## Student Survey of Instruction

### Collin College

This survey is designed to capture your experience in this specific course with this instructor. When completing the survey, focus on your learning as well as the course content and activities (such as assignments, readings, topic presentation, discussions, projects, etc.). This survey is anonymous so please answer honestly and respectfully. The survey results will be available to instructors only after final grades are submitted. Your responses cannot affect your grade. Thank you for your feedback and the valuable perspective you provide.

Question 2

For items 1 through 5, please rate your response on a five-point scale, with Fully agree (5), Somewhat agree (4), Neutral (3), Somewhat disagree (2), and Fully disagree(1). An optional comment box is provided if you'd like to share additional feedback after each item.

Item 6 is optional as well, but we appreciate any additional perspective you'd like to offer.
